Company Profile (Updated Version)

Introduction

Malik Group of Companies is connected with Petroleum and allied products for the last 30 years and is managed by its Chief Executive Mr. Malik Khuda Baksh who is a graduate and has a Diploma in Automobile Engineering.

One of the company Malik Enterprises (Pvt.) Limited carried out the business of import of Petroleum products for supply to Government of Pakistan by participating in tenders. Government of Pakistan has short listed it due to its performance and exempted it from Performance & Bid Bonds.

Company is the first one to introduce Electronic Dispensing Pumps in Pakistan and had supplied Electronic Pumps to Shell Pakistan Limited, Pakistan State Oil Company Limited and Caltex Oil (Pakistan) Limited, which are giving satisfactory service.

Company is the pioneer in introducing Universal Petro Pipe (UPP) in Pakistan to replace Metallic Piping system of Petrol Stations. UPP is a leading light weight, flexible, non-metallic pipe work system available. The pipe is manufactured in full range of sizes, from an upgraded Polyethylene material. It is environmentally safe and meets the standard required for its use in Petrol Station Industry. Electro fusion welding of pipes and fittings creates a pipe system that is strong, flexible and easy to install, giving it a long life and the customer peace of mind. Due to our efforts Government has banned use of Metallic Piping at Petrol Stations.

Company is the licence holder for import of CNG Stations, Conversion Kits and Gas Cylinders and has already established **Twelve CNG Stations**, two at Karachi, one at Peshawar one at Rahim Yar Khan, two at Lahore, one at Hassanabdal, one CNG Station with Petrol Pump at Rawalpindi in collaboration with TOTAL PARCO Pakistan Limited, one CNG Station with Petrol Pump at Sargodha in collaboration with Attock Petroleum Limited one CNG Station at Pano Aqil Cantt, one CNG Station at Nawabshah and one in Habibabad. Company also owns two Petrol Filling Stations in Karachi. Company has plans to establish additional CNG Station in various parts of the country.

The company is in the process of development of CNG Stations at various locations in Pakistan including Labela Baluchistan and Sialkot.

Chief Executive Mr. Malik Khuda Baksh is a renowned social worker and heads various social service organizations in Pakistan. He joined Lionism in 1983 and served the organization in various positions. He is the only Pakistani who acquired 7 times Melvin Jones Fellowship from Lions Clubs International. Presently Mr. Malik Khuda Baksh is holding an office of International Director of Lions Clubs International.

Mr. Malik Khuda Baksh is also a Chairman & President of CNG Station Owners Association of Pakistan.
